

Prayer for Peace
Interfaith Prayer Vigil
Richmond, VA 2004

Spirit of life and love, call us back to our best selves, to that divine spark within us that helps us imagine the possibility of a world of peace. Call us back to the best of our humanity, to those brave ones who have come before us proclaiming that peace is an alternative to violence, that love is an answer to hate, that this world can be made a better place in our lifetime and through the work of our hands. We ask for courage to be an instrument of peace, to work for justice and to never be dissuaded from our vision of a world where all children are safe, where the dignity and worth of all people are respected and where the beloved community can hold all of us in a strong and eternal love.

So may it be.

Amen.
